4. Write an application to the Principal for Remission of fine.

The Principal,
Government College,
(City) A.B.C.

Respected Sir,

It is stated that I am a 1st Year student in this college enrolled as 12345. I want to bring to your kind attention an issue I am facing. I was not able to pay my college fee for the last month as my father was not in the city. I also informed the college administration regarding this. My father is back and he has paid my fee but unfortunately, I have been charged a fine of Rs.500 for late fee submission. Sir, I belong to a poor family and my expenses are already too much. Under these circumstances paying this fine would be a huge pressure on my family. I have always been a punctual student as well as the topper of my class. I also got 1st position in my send up examination.

Therefore, I humbly request for the remission of my fine as I really have a genuine reason.

I shall be highly obliged to you.

Sir,

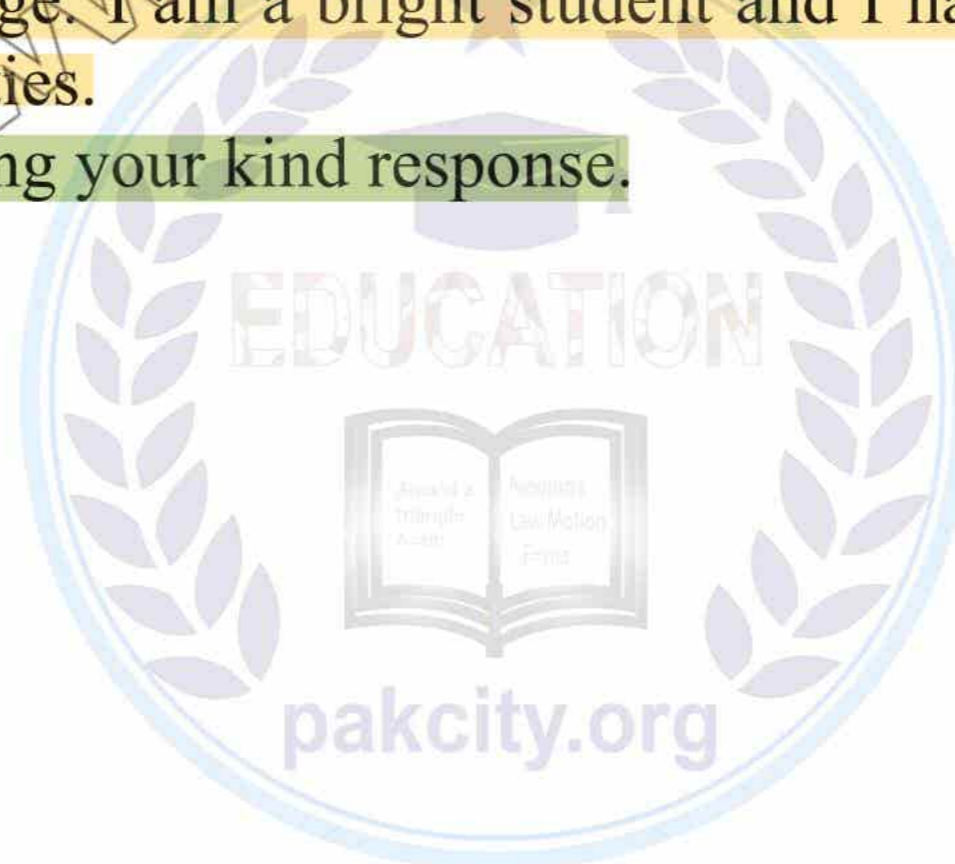

With due respect, it is stated that I am a student of Intermediate Part I in your esteemed institution enrolled as 12345. I was recently informed that my name has been struck off because I was unable to pay my tuition fee for the last two months. It is indeed an embarrassing situation, and I am quite upset about it. However, I believe I should inform you about the circumstances which led to this unpleasant state. My father is a businessman and he has been doing well in terms of profit. Unfortunately, an unexpected labor strike had a devastating impact on the business community. My father suffered a heavy loss and it became difficult for him to manage our expenditures which includes my tuition fee as well.

Sir, the tough time has passed, and conditions have become favorable for us. The tuition fee has been arranged and I will submit it as soon as possible. It is a humble request that kindly allow me to have re-admission in the college. I am a bright student and I have a commendable record in curricular and co-curricular activities.

I am looking forward to receiving your kind response.

We are running out of our savings because of the ongoing expensive treatment. In such circumstances, it has become impossible for me to pay my college tuition fee.

Sir, as I have already mentioned that I am a bright student, and I am very passionate about educating myself. It is a humble request that kindly grant me the scholarship so I can continue my education and attend the classes regularly.

Sir,

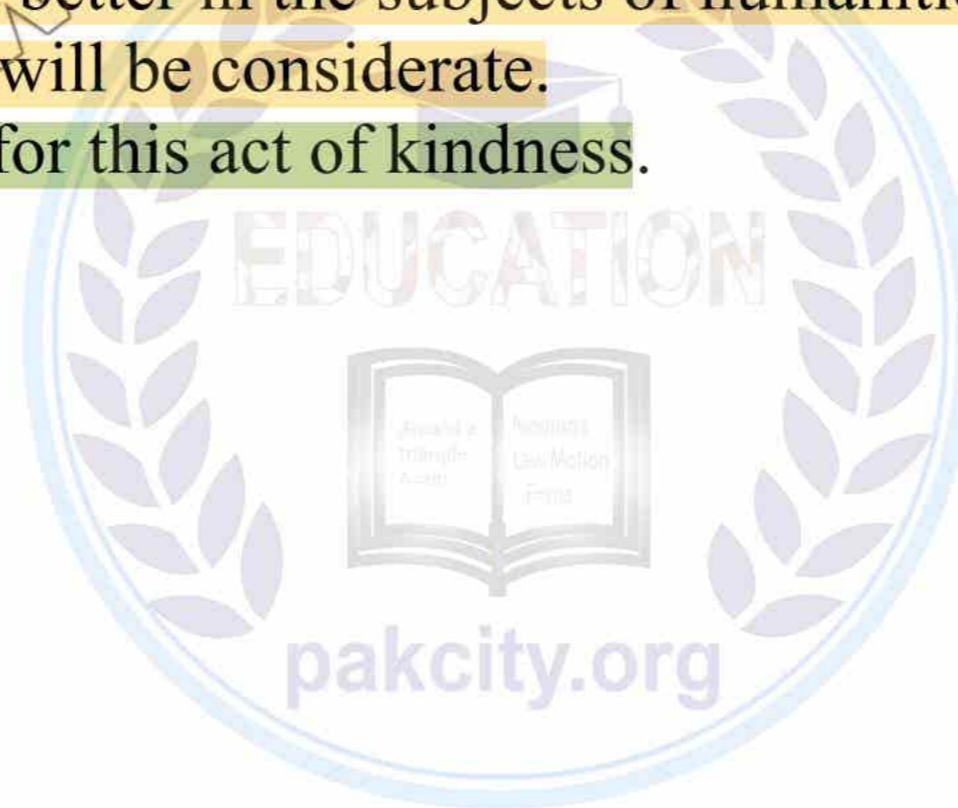

It is respectfully stated that I am a student of Intermediate Part I in your esteemed institution. Joining this college has proved to be a very right decision as I am learning and enjoying here. I truly appreciate your untiring efforts to keep this college up to the mark. Sir, everything is moving in a progressive manner, but I have encountered a problem which needs to be addressed immediately. At the time of admission, I opted for science subjects as my matriculation is in science subjects. However, with the passage of time I started to realize that I am unable to do justice to science subjects at college level. I took extra classes, joined study groups, and even hired tutors but I was unable to comprehend the topics.

Sir, it is a humble request that kindly change my subjects from science to humanities. I am sure that I will be able to perform a lot better in the subjects of humanities. My future is dependent on your decision and I hope that you will be considerate.
